COURSES

Money Matters: Digital Finance

Time: 6:30 PM to 8:30 PM

Monday & Wednesday

Learn skills to thrive in the digital economy. Covering topics from budgeting and credit management to investments, retirement planning, and major purchases, the class emphasizes hands-on learning through real-world simulations and personalized exercises.

Digital Marketing & Social Media

Time: 6:30 PM to 8:30 PM

Monday & Wednesday

Learn how to harness the power of digital marketing and social media to promote your business, attract new customers, and strengthen your brand. This interactive session gives entrepreneurs practical tools to grow online with confidence.

Digital Navigation Skills - Intermediate

Time: 6:30 PM to 8:30 PM

Tuesday & Thursday

Strengthen your skills with tools like google apps, cloud storage, online forms, and virtual meetings to stay connected and productive.
